Life Is With People takes its name from the 1952 book by Mark Zborowski and Elizabeth Herzog. This exhibition was made possible through the generosity, labor, and imagination of many people. With special thanks to Aaron Goldstein for designing the plans for the house; DD Herschlein for bringing its structure into being; Troy Zaretsky-Kreiner for the design of this checklist; and Ruby Zuckerman for writing the exhibition statement. Our deepest thanks to all of the artists for building this house with us, and to everyone whose hands, time, and materials have made it possible.

Opening: October 3, 2026
